Poly Sync 40+ Speakerphone

Flexible, Simple, Smart

Business moves fast. Joining virtual meetings should be fast, too. Poly Sync 40 USB/Bluetooth® smart speakerphone lets you get straight to work. Poly Sync 40 is designed for your flexible workspace with remarkable sound and portability. Hear and be heard with its multi-microphone array and full-duplex audio. Intuitive features ensure smooth and easy conferencing. Flexible, simple, smart.

*Productimage may differ from actual product

Three-microphone steerable array

Keep the focus on your voice, not the background noise, with a multi-microphone steerable array for echo and noise reduction.

Bass reflect system with dual passive radiators

Enjoy clearer calls and music that sounds remarkable using the bass reflect system with dual passive radiators for natural voice and deep bass.

Full duplex audio

Speak freely, even simultaneously with others — conversations flow naturally with full duplex audio to help you capture every word.

Built with high-performance, large music speaker

 $Fill the \, room \, with \, a \, high-performance, \, large \, music \, speaker \, for \, great \, music \, and \, immersive \, multimedia.$

Connects to personal devices and works with existing applications

Proceed with confidence - there's no new interface to learn, and you use your own device and collaboration applications.

Highly visible status light bars

Know what the call status is from a distance with highly visible light bars that tell you.
