# Poly Studio R30 USB Video Bar

## Small room, big experience

The Poly Studio R30 USB video bar next-gen camera experience ensures everyone is seen clearly with pinpoint accurate automatic framing and tracking — making meetings easier and more inclusive than ever.

\*Product image may differ from actual product

#### Crisp 4K resolution

Quality video captures the whole room, making it your go-to group call solution for small rooms. Everyone can be seen in the frame, and 4K video allows for digital zoom without losing clarity.

#### Audio clarity you can count on

The multi-microphone array captures your voice precisely, while Acoustic Fence and NoiseBlockAl technologies keep distracting noises at bay. Its powerful speaker offers acoustic suspension that keeps voices crisp and clear.

#### Inclusive video experience

Poly DirectorAl smart camera technology adds automatic framing to create a purely people-focused video experience. It's like having a director in the room making sure everyone is seen clearly.

## Wide field-of-view

Specially designed for small meeting rooms, the Poly Studio R30 keeps every participant in frame, thanks to the camera's 120-degree field of view.

#### Poly DirectorAl technology

Be more productive on both ends of your video call with a smart camera that features Poly DirectorAl smart camera tech that automatically frames the room or tracks the person speaking for deeper engagement — no drivers or software needed.

#### Integrated speaker

Hear pristine clarity and rich sound with a powerful integrated speaker featuring acoustic suspension with a passive radiator.

## Multi-microphone array

Meetings should be spent sitting comfortably rather than huddling around a mic. Make sure you're heard clearly with the multi-microphone array.

**Datasheet** 

# Poly Studio R30 USB Video Bar

## **Specifications**

## Compatible with

Compatible operating systems: Windows 10; Windows 11; macOS 10:10 or later; Windows 8.1

#### Camero

Camera features: Manual pan, tilt and zoom control; Automatic meeting experience powered by Poly DirectorAl including speaker framing, presenter tracking, and conversation mode

 $\textbf{Camera resolution:}\ 2160p, 4 \text{K UHD } (3840 \times 2160); 1080p, \text{FHD } (1920 \times 1080); 720p, \text{HD } (1280 \times 720); 1080p, \text{FHD } (1920 \times 1080); 720p, \text{HD } (1280 \times 720); 1080p, \text{FHD } (1920 \times 1080); 1080p, \text{FHD$ 

Diagonal field of view (dFoV): 120°

Zoom capability: 5x (without tracking); 4x (with auto tracking)

Camera type: Single-lens

Lens privacy capabilities: Integrated Horizontal field of view (hFoV): 110°

Video standards: UVC Plug and Play compatible

## Connectivity and communications

External I/O ports:

1USB Type-C® 5Gbps signaling rate

2 USB 2.0 Type-A

14.5 mm power adapter

Interoperability: Zoom Certified; Microsoft Teams Certified; All cloud service providers through Poly

Video App mode; USB Device mode

Wireless technologies:

Bluetooth® 4.2; WiFi 802.11a/b/g/n/ac (SISO)

## **Audio**

Audio features:

Poly NoiseBlockAl technology Poly Acoustic Fence technology Poly Acoustic Clarity technology

Microphone type: Three-microphone element beamforming array

Speaker bandwidth: 100 Hz to 20 kHz

Frequency response (microphone): 50 Hz to 14 kHz Audio standards: UAC Plug and Play compatible

**Speaker type:** Single speaker **Sensitivity (speaker):** 84 dB

### **Battery**

Power supply type: External Power features:12V/3A

## **Certifications**

Certified collaboration software: Microsoft Teams; Zoom

Special features: Adjustable monitor clamp; Standard tripod thread; Inverted mounting option

### **Environmental**

Operating Altitude (imperial) / Operating Altitude (metric): 10,000 ft / 3,000 m

Operating humidity range: 15 to 80% Non-operating humidity range: 5 to 95%

Operating Temperature Range (Celsius) / Operating Temperature Range (Fahrenheit):  $0 \text{ to } 40 \,^{\circ}\text{C} / 32 \text{ to } 10.4 \,^{\circ}\text{C}$ 

104°F

## Applications supported

Management software:

Poly Lens

## Security

Standard Kensington lock slot

## Weight and dimensions

Product Primary Color: Sand

Weight (imperial): 11b (with monitor clamp); 11b (without monitor clamp)
Weight (motion: 922 g (with monitor clamp); 727 g (without monitor clamp)

 $\textbf{Weight (metric):} \ 822 \ g \ (with monitor \ clamp); 737 \ g \ (without \ monitor \ clamp)$ 

**Product dimensions (imperial):**  $17.5 \times 3.4 \times 3.2$  in (with monitor clamp);  $17.5 \times 2.7 \times 3.2$  in (without monitor clamp)

Product Dimensions (metric): 445 x 86 x 81 mm (with monitor clamp); 445 x 68 x 81 mm (without

monitor clamp)

UPC number: 197497463170 Product number: 842D2AA

#### Warranty

Poly standard one-year limited warranty

#### What is in the box

Poly Studio R30

Monitor clamp

AC power adapter

Power cable

USB Type-C® to USB Type-A cable

Setup sheet

Removable privacy cap
