

Outdoor Security Wi-Fi Camera

Model: TC65

Secure. Smart. Easy.

3MP High Definition

Motion Detection and Notifications

Wired or Wireless Networking

Weatherproof

Smarter Care for Smarter Living

Comprehensive subscription service for cloud video recording

30-Day Cloud Video History

With the Tapo Care plan, all of your events are recorded and you can easily review them—anytime, anywhere—via the Tapo app.

Recorded video is saved to the cloud for 30 days for you to access at your convenience, regardless of camera status (even if the camera is unplugged or stolen).

Privacy Zones

Set customizable block zones to keep certain spaces from being recorded so you never need to worry about personal moments being leaked.

Filter out any personal spaces, like your bed, and only record areas that require monitoring such as doorways and windows to ensure your privacy remains just that—private.

Rich Notifications with Snapshots

Smart alerts notify you in real-time the instant your camera detects person with a snapshot. Instantly review the related video clip to know exactly what's happening anytime there is unusual activity.

Baby Crying and Person Detection[△]

Receive real-time alerts when your baby starts crying or when people come into your camera's view. Monitor your baby even when you're not in the room and receive prompt notifications if they start crying.

[△]Person Detection is included with 3MP/4MP cameras for free. Tapo Care is always getting smarter. More AI detection functions are coming soon!

Tapo Care[®] is available to all users of Tapo cameras. Click <https://www.tapo.com/en/tapocare/> to learn more about Tapo Care[®].

// Specifications

Camera

- Image Sensor: 1/2.8"
- Resolution: 3MP (2304 × 1296)
- Night Vision: 850 nm IR LED (up to 98 ft)
- Lens: F/NO: 2.2; Focal Length: 3.89 mm

Audio

- Audio Communication: 2-way audio
- Audio Input & Output: Built-in microphone and speaker

Video

- Video Compression: H.264
- Frame Rate: 15fps
- Video Streaming: 1296p

Activity Notifications

- Input Trigger: Motion detection, Line-Crossing Detection, Area Intrusion Detection, Camera Tampering
- Output Notification: Push notification

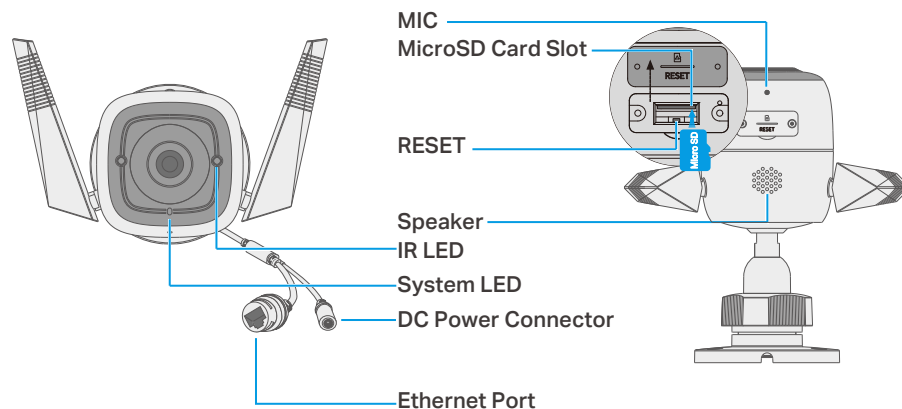

Network

- Wireless Protocols: IEEE 802.11b/g/n, 2.4 GHz, 2T2R
- Frequency: 2.4 GHz
- Wireless Security: WEP, WPA/WPA2-PSK
- Security: 128 bit AES encryption with SSL/TLS
- Protocol: TCP/IP, DHCP, ARP, ICMP, DNS, NTP, HTTP, HTTPS, UDP, ONVIF, RTSP

// Specifications

Hardware

- Port: Ethernet through RJ45 Port
- Button: RESET button
- LED: System LED, IR LED
- Adapter Input: 100-240 V, 50/60 Hz, 0.3 A
- Adapter Output: 9.0 V, 0.6 A (DC Power)
- External Storage: microSD card slot (Supports up to 128 GB)
- Dimensions (W x D x H): 5.6*4.1*2.5 in. (142.3*103.4*64.3 mm)

Others

- Weatherproof Ratings: IP66
- Certification: CE, RCM, RoHS, NCC, BSMI, JRF, VCCI
- Package Contents:
 - TC65
 - Power Adapter
 - Quick Start Guide
 - Anchors and Screws
 - Mounting Template
 - Waterproof Seal
 - Waterproof Cable Attachments
- Operating Temperature: -20 °C ~ 45 °C (-4°F ~ 113°F)
- Operating Humidity: 10%~90%RH, Non-condensing

*The microSD card is not included in the package.

// Highlights

Motion Detection, Instant Notifications, and Automatic Siren Protect You Day and Night

TC65 is a full-featured weatherproof security camera that you can access from anywhere. Receive instant notifications and check feeds when the motion is detected. Moreover, the automatic siren system will trigger light and sound to frighten away unwanted visitors after the camera detects motion. Day or night, rain or shine, the Tapo camera protects what you love most.

// Features

3MP High Definition

Delivers high resolution video helping you never miss a detail.

Night Vision

Provides a visual distance of up to 98 ft (30m) even in total darkness to always keep you safe.

Wired or Wireless Networking

Connect the camera to your network through Ethernet or Wi-Fi for more flexible installation.

Two-Way Audio

Enables you to communicate in real-time through the built-in microphone and speaker.

Weatherproof

Helps TC65 perform well even in harsh environments with rain and dust.

Local Storage (up to 128 GB)

Stores 3MP video directly to a local microSD card*, offering convenient access to your video footage.

*microSD card needs to be purchased separately.
